

## **Quality Pumps Disclaimer**

Quality Pumps ("the Company") is dedicated to providing high-quality water pumps and related services. Our recommendations are based on the information provided by the client and the Company's extensive experience in the industry. The Company aims to guide clients towards making informed decisions about the products and services that best suit their needs. However, the client retains the ultimate responsibility for the final choice of product and its suitability for the intended application.

## **Limitation of Liability**

1. The Company provides suggestions on product selection based on the information available at the time. The Company does not guarantee that the recommended product will perform in all conditions or environments as expected. It is the client's responsibility to verify the product's suitability for their specific needs and conditions.
2. The Company shall not be liable for any direct, indirect, incidental, consequential, or punitive damages resulting from the use or performance of the products, even if the Company has been advised of the possibility of such damages.
3. The client acknowledges that they have not relied on the Company's skill or judgment to select or furnish goods for any particular purpose beyond the specific information provided by the Company.
4. Any warranties, if applicable, are those provided by the manufacturer of the product. The Company expressly disclaims all other warranties, express or implied, including but not limited to any implied warranties of merchantability or fitness for a particular purpose.

## **Product Installation**

1. The installation of any products must be conducted by qualified professionals. The Company is not responsible for any issues arising from improper installation or setup.
2. It is the client's responsibility to comply with all applicable laws, codes, and regulations related to the installation and operation of the product.

## **Governing Law**

This disclaimer shall be governed by and construed in accordance with the laws of the jurisdiction in which the Company operates. Any disputes arising under or in connection with this disclaimer shall be subject to the exclusive jurisdiction of the courts of that jurisdiction.

## **Acknowledgment**

By choosing a product recommended by Quality Pumps, the client acknowledges and agrees to the terms set forth in this disclaimer. It is the client's responsibility to ensure the product's appropriateness and compliance with applicable regulations and laws.
